Vision

Our Vision is to Enable Young Minds With Profound Knowledge and Technology To Be Globally Responsible By Creating Skilled and Blissful Community

Mission

1. To Impart knowledge and technological skills in young minds with global standards.
2. To Ignite environmental sensitivity.
3. To Indoctrinate right values and universal brotherhood.
4. To Incorporate student- centric and joyful learning.

CAMPUS SUPERIOR MESSAGE

- ▶ January brings a quiet, peaceful start, giving us time to pause and reflect on the journey ahead. It is a time for gentle growth and setting intentions, not just goals. I hope this month fills your days with calm, clarity, and renewed strength. Let us embrace the stillness of winter as we prepare for the year ahead.
- ▶ I envision a future where I am committed to provide a facelift in terms of Academic, Sports & Social Development in an atmosphere that ignites the passion in the children.
- ▶ I assure that I will work as a Team in the Common Interest of the School to achieve the best for the School & the students. I strongly believe that individual commitment to a group effort is what makes a Team Work. OUR JOB IS NOT TO PREPARE STUDENTS FOR SOMETHING, BUT TO HELP THE STUDENTS PREPARE FOR ANYTHING.

PRINCIPAL MESSAGE

- ▶ Today, the role of school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. Learning is not a progress limited to schools and colleges only, nor does it end with conclusion of one's school career. It is indeed a lifelong process.
- ▶ Along with providing academics, we aspire to instil values, life skills and habits that make our students stand out and make a difference in society. We provide our students with ample opportunities to develop 21st-century skills such as collaboration, teamwork, critical thinking, emotional balance, time management and much more.
- ▶ "Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations." We wish to thank all the parents for their faith in our school.

PONGAL CELEBRATIONS

- ▶ Pongal is a four-day Tamil harvest festival in January celebrating the Sun God, nature, and livestock for a bountiful harvest, featuring traditional cooking of a sweet rice dish, elaborate rangoli, and honoring cattle with decorations.
- ▶ Students were dressed up in traditional wear.
- ▶ Pongal preparing competitions were held among house wise & the best was rewarded.
- ▶ Students were engaged with dance & games on the same day.

SAFETY DAY CHECKING

- ▶ Safety Day checking is done on every 1st Friday of every month.
- ▶ The team verified the details with transport, fire extinguisher, water purifier, rest rooms.
- ▶ Few defaults were identified & noted.

THANK YOU!
