At DMI we aim to provide a broad, well balanced and relevant curriculum. We encourage positive social behavior, emphasizing respect for others. We believe that every child has the right to work in a calm, orderly, safe and secure environment. We value every child and have the highest possible expectations in the areas of achievement and behavior.

DMI provides a stimulating and enriched environment so that the children can enjoy all aspects of their learning. We value regular contact with parents/ guardians, as an essential part of the education process. We are always looking for new ways to involve parents in the life of the school and to keep them informed of the things we are doing.
